

AMAZING MARINE MAMMALS

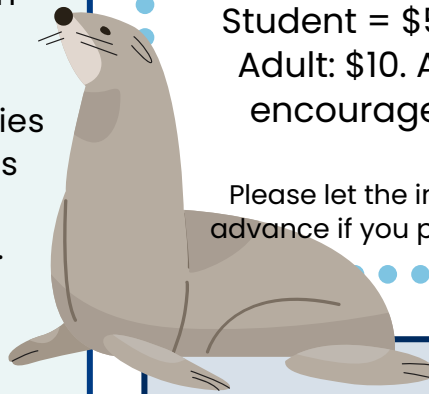

Marine Ecology Program

Fort Ross State Historic Park is an amazing place to see and learn about resident and migrating marine mammals and the species that were hunted in these waters during the 1800s Fur Trade that operated out of the historic Fort.

Students will discover:

- How many harbor seals call Fort Ross home? Count seals like a marine biologist!
- How to tell the difference between pinniped species
- See California and Steller Sea lions
- Check out that spout: whales of California
- What happened to the Sonoma Coast sea otters?

Details

Program Price:
Student = \$50 (\$10/hour)
Adult: \$10. Adults will be encouraged to join in!

Please let the instructor know in advance if you plan to leave early.

Day Plan

10:30 am - welcome to Fort Ross State Historic Park + whales! 🐳
11 am - Sea lion hike
12:15 pm - lunch
12:45 pm - Sea otter fur trade in the Fort and harbor seals
2 pm - Program ends

Please note: this is an example. Program timing will vary based on tides.
